

HENDALL MANOR BARNS

A peaceful and private setting for a truly personal farewell

Hendall is a family-owned, privately situated venue in the heart of the East Sussex countryside, offering an exclusive and discreet setting for families to gather, remember and celebrate a life.

With exclusive use of the venue and its beautiful surroundings, families have the freedom to create a meaningful and personal farewell that reflects the individual and the people who matter most.

Should you wish to hold a ceremony at Hendall, whether arranged through your funeral director or led by a celebrant, we are very experienced in accommodating each family's individual wishes. We also have a wonderful selection of trusted local celebrants that we would be happy to recommend, should you require one.

We encourage you to make the barn your own, decorating the space creatively and adding personalised touches that make the occasion truly meaningful.

With direct access to a large, south-facing terrace and courtyard lawn, the indoor and outdoor spaces flow seamlessly together, creating a private yet generous setting for your guests to gather comfortably and remain together throughout your event.

The terrace features wooden tables, chairs and parasols along with benches, olive trees and lavender planters.

Our historic buildings provide disabled access throughout and a further barn with under cover parking for all guests.

We have an extensive choice of excellent, approved, local caterers for you to choose from.

You can design your own menu with your caterer or choose from a set menu. We do not charge corkage, allowing you to provide all your drinks at cost.

Your chosen caterer will be responsible for supplying all crockery, cutlery, glassware, tea & coffee and linen as well as serving your drinks throughout, as required.

We have compiled lists of recommended suppliers; all of whom have worked at Hendall to ensure your event runs smoothly should you require them.

Hendall is set within exquisite private grounds, surrounded by an orchard, a large pond, open fields and beautifully maintained lawns. For each event, the venue is reserved exclusively for the family and their guests, providing a peaceful and private setting in which to gather, remember and celebrate a life.

The terrace and main lawn are fully enclosed, allowing everyone to remain together in one central and tranquil space, with the freedom to move between the beautiful indoor and outdoor areas throughout the occasion.

Our on-site, self-catering accommodation is available for up to eight guests in an adjacent and beautiful 17th century sandstone barn. An additional converted Cart Barn sleeps an extra two guests.

Both the Hendall team and your chosen caterer will be on hand to answer any questions and offer advice throughout the whole process from booking, right through to the end of your event.

With ample parking directly outside and all the necessary facilities inside the Barns, this offers a wonderful place to hold such an important event.

We would suggest arranging a preliminary meeting to discuss your expectations and requirements. This will provide an opportunity to show you around and explain the various options for catering and internal layout.

We look forward to hearing from you.
